# TOURS

Discover the charm of The Original Tea Gardens Ferry with our fleet of three heritage timber vessels, a must-do for both visitors and locals in Port Stephens and the

Myall Coast region. Our friendly crew will offer interesting commentary as you take in the stunning views of Port Stephens and the Myall River. As we navigate through the local marine parks, relax and keep an eye out for local wildlife like dingoes, turtles, seabirds, and the bay's resident dolphins, who often entertain our guests with their playful antics.

Whether you're looking for a private charter or a shared experience, we provide flexible options for all types of events and occasions for groups up to 100 guests.

You can opt for our catering and decoration services or bring your own.

For further info, call us on **0412 682 117**
